SUMMARY

Experienced Senior Odoo Developer with 5 years of hands-on expertise in designing, customizing, and optimizing Odoo systems for enterprise-scale operations. Proven ability to manage full-cycle Odoo implementations — from requirement analysis to deployment and maintenance. Adept at backend performance tuning, data integrity management, and complex business workflow automation. Skilled in Python, PostgreSQL, and Odoo ORM, with a track record of delivering scalable, maintainable, and high-performance business applications.

WORK EXPERIENCE

Senior Odoo Developer - YouGotaGift

Sep 2024 – Present

- Lead the in-house Odoo development team, delivering data-centric business applications.
- Spearhead backend development, database optimization, and system architecture improvements.
- Designed and implemented custom modules, data pipelines, and API integrations.
- Improved PostgreSQL performance by analyzing slow queries, adding indexes, and optimizing ORM logic.
- Built robust reporting and automation tools to support business analytics and operational efficiency.
- Managed deployment workflows with Git, CI/CD, and Docker, ensuring consistency across environments.
- Conducted code reviews, mentored developers, and contributed to hiring top technical talent.

Software Developer - Odoo Pvt Ltd

Jan 2022 – Aug 2024

- Developed and maintained Odoo enterprise modules across Accounting, Sales, Inventory, and HR.
- Designed and executed data migration strategies during version upgrades.
- Integrated Odoo with external platforms and APIs, improving automation and reducing manual input.
- Implemented access control, security, and performance enhancements across modules.
- Collaborated with cross-functional teams to translate business requirements into efficient technical solutions.
- Contributed to ongoing improvements in code quality, documentation, and deployment practices.

Python Odoo Trainee - Bassam Infotech

Nov 2020 – Jan 2022

- Acquired in-depth knowledge of Odoo architecture and ORM concepts.
- Developed custom views, workflows, and modules for SMEs and enterprise clients.
- Assisted in system migration, debugging, and deployment activities.
- Supported integration of third-party services and custom API endpoints.
- Participated in multiple Odoo implementation projects, ensuring on-time delivery.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science & Engineering

2016–2020

- APJ Abdul Kalam Technological University
- College of Engineering, Pathanapuram

TECHNICAL SKILLS

- Languages: Python, JavaScript, SQL, XML, HTML, CSS
- Frameworks & Tools: Odoo, Docker, Git, VS Code
- Databases: PostgreSQL, MySQL
- Core Expertise: Odoo module development, customization, API integration, ORM optimization, migration, deployment automation
- Other Skills: Data management, business process automation, security configuration, performance tuning

LANGUAGES

- English, Malayalam, Hindi, Arabic, Tamil
